Katy,

On August 7, 2018, Georgia EPD submitted a negative declaration with respect to Emissions Guidelines and Compliance Times for Other Solid Waste Incineration Units (OSWI) Units (40 CFR 60 Subpart FFFF). Please see below. We were wondering if you happened to have, or could find out about a status update regarding this submittal. If we need to contact someone else, let us know. Any information you could give us would be appreciated.

Thank you! -Elisabeth
